Make sure containers are empty and clean, remove lids
Labels do **not** have to be removed

Paper: *Newsprint*

All newsprint is acceptable.
Stack neatly in your recycling bin, paper grocery bag or tie with string.

General Recycling Information

1. Recyclables should be placed at the curb or alley the evening before your pick-up day.
2. All recycled items should be separated by type in paper grocery bags only.
3. In the event you have more recyclables than your bin will hold, simply place excess items in a separate bag or container next to your bin.
4. All residences should have their recycling bin at the curb to indicate you have recyclables to be picked up.
5. In the event that your recycling bin has been damaged or lost, you can get a new one from the City at no cost.

6. All bottles, jars and cans must be empty.

Garbage preparation guidelines:

- All trash and recyclables must be at the curb by 6:00 A.M..
- All trash must be placed in a container or bag not larger than 33 gallons in capacity.
- Containers or bags should not exceed a weight of 30 lbs.
- Loose, uncontained items should be placed in a bag or container for pick-up.
- Bulky items, such as furniture, are included in the program at no additional cost.
- Construction debris is not acceptable, contact Moring Disposal* to make special arrangements.
- Large dumpsters are available for major clean-up or remodeling projects. Call Moring Disposal* to order temporary containers.
- Household hazardous waste is not acceptable. Residents should watch for county sponsored programs which are held periodically.
- Large dumpsters are available for major clean-up or remodeling projects.
